

GARDEN SHEDS

New Zealand wasn't built in a day,
it was built in a Skyline.

Double Door

Super
Single Door

Super
Double Door

All of our Garden Sheds feature an H4 tanalised 70mm x 35mm timber bottom plate with covering flashing, which gives them a stronger base. Plus it has a generous inside height of 1885mm. Our concrete floor sheds have greater inside height of 1940mm.

THE FINISHING TOUCHES

Make sure you get the shed that suits you. Here are all the specifications and finishing touches you can make, so it'll look like yours and not your neighbour's.

Delivery

Delivery and assembly on site is available at an additional cost - otherwise you can purchase a DIY kitset.

Please note: Sheds should be maintained according to the Skyline maintenance instructions. The metric dimensions stated are approximations only. Colours are representative only and subject to variation when appearing in print. Please consult your Skyline Distributor for exact colour samples and specifications.

New Zealand wasn't built in a day,
it was built in a Skyline.

Skyline also offer other buildings - garages, cottages, carports, sleepouts, farm and commercial buildings.
